

COPYRIGHT CLAIMS BOARD

Law School Clinic Public Directory Information Form

The Copyright Claims Board (CCB) is an alternative forum to federal court in which parties voluntarily seek resolution of copyright disputes where damages are \$30,000 or less. To facilitate this low-cost alternative to federal litigation, the CCB will maintain a directory of law school clinics that provide legal representation before the CCB on a *pro bono* basis. This directory will be available on the CCB website as a resource for CCB participants.

NOTE: A law school clinic does not need to be listed in the directory to participate in proceedings before the CCB (37 CFR § 234.2(a)).

Clinics wishing to be listed in the CCB clinic directory should provide all of the requested information below. The CCB requires this information because we would like to provide CCB participants with the information they need to make an informed decision regarding whether to seek law school clinic assistance. In addition, the clinic will have a duty to maintain the currency of information in the directory.

The law school clinic director must send the completed form to asktheboard@ccb.gov. Please type your answers directly into the form. Do not hand write your answers. Thank you.
